* Il numero delle settimane va calcolato nel caso di danno a 6) dividendo per 7 il numero dei giorni di fermo prolungato ai quali sono stati precedentemente sottratti i gg di fermo sanitario obbligatorio (v. Tabella A al DM 193915 del 5 aprile 2023).

** Importo per il quale non va mitigato il numero di settimane di prolungato allevamento.

*** Si applicano gli indennizzi unitari riportati in tabella solo ai danni di cui al paragrafo 2) del danno totale subito dai beneficiari ed accorpato dai magliaccioli derivati alla ripresa che avviene in specie come stabilito all'articolo 3, comma 2, del DM n. 193915 del 5 aprile 2023.
